

MEIKLE TÒIR

PEATED SPEYSIDE SINGLE MALT SCOTCH WHISKY

PRONOUNCED (MEE-KUHL TOR)

THE TURBO

2024 EDITION

AGED 5 YEARS

Guided by revered Master Distiller, Billy Walker, our team is on a 'Meikle Tòir' (meaning 'big pursuit'). The goal: to carefully craft and cask-perfect a peerless peated single malt at our Speyside home, The GlenAllachie Distillery.

Taking 'the heart of the heart' of our distillate – the spirit cut which contains the highest phenol content – 'The Turbo' entails an amplified smoky identity. Deploying mainland peat and a lengthy fermentation period, the whisky boasts full-bodied character. The 2024 Release is a combination of five American virgin oak casks and four Oloroso hogsheads. The result is a multifaceted whisky with a powerful punch of peat, hitting a hefty 70 PPM.
