► THE HAKUTO MATSUI GIN

47° / 70 CL

Exquisitely blended with a total of 14 carefully selected botanicals including Juniper berry, coriander seeds, orange peel, yuzu peel, Japanese sansho pepper, gyokuro, sakura (cherry blossom), black pepper, nashi pears, which is a speciality of Tottori Prefecture and five other premium botanicals.

Matsui Gin 'The Hakuto Premium' is a gem proudly produced by Kurayoshi Distillery. Finished with spring water obtained from Mt. Daisen, the mixture of botanicals has created a spicy yet sweet and refreshing complex gin.

Hakuto means 'white rabbit' and is also named after a myth from Tottori Prefecture where the Kurayoshi Distillery resides.

Fresh, yet spicy aromas with a peppery note and complex Japanese botanicals at 47% abv, gives this gin maximum flavor with depth and intensity
